4. The conditional use will have vehicular approaches to the property which are so designed as not to create traffic congestion or an indifference with traffic on surrounding public thoroughfares.
5. Adequate measures have been taken to provide sufficient off-street parking and loading space to serve the proposed use.
6. Adequate measures have been taken or will be taken to prevent or control offensive odor, fumes, dust, noise, and vibration, so none of these will constitute a nuisance and to control lights and signs in such a manner, that no disturbance to neighboring properties will result.
